Group Policy for the Provision of Non-Audit Services by the External Auditor

1. This policy is designed to assist the Company and each of its subsidiaries (together, the “**Group**”) in ensuring that the engagement of the external auditors to provide non-audit services:
 - a) Is only done in appropriate circumstances;
 - b) Is transparent;
 - c) Is operated in such a way as to ensure that non-audit services provided by the auditors do not exceed in any year more than 70% of the average audit fee paid to that firm of auditors for audit services over the past three years:
and
 - d) Does not impair the judgement or independence of the external auditors.
2. The Audit Committee has decided to categorise the type of services in the following fashion:
 - a) “**Audit related**” as listed in Appendix 1;
 - b) “**Permitted Non-Audit**” as listed in Appendix 2, where the external auditor shall be permitted by the Audit Committee, in appropriate circumstances, to provide services; and
 - c) “**Prohibited Non-Audit**” as listed in Appendix 3, where the external auditor will not normally be permitted by the Audit Committee to provide services.
3. The Prohibited Non-Audit Services referred to in paragraphs (xiii), (xiv), (xv), (xvi) and (xviii) of Appendix 3 may be dealt with by the external auditor or the external audit firm if the Company and that external auditor are satisfied that the matters in question would have no direct impact on the provision of impartial audit services or that an objective, reasonable and well-informed third party would form the view that any such effect would be inconsequential.
4. The Prohibited Non-Audit Services referred to in sub-paragraph (xix) of Appendix 3 may be dealt with by the external auditor or the external audit firm if such services are restricted to providing assurance services in relation to financial statements such as the issuing of comfort letters in connection with prospectuses issued by the Company or any member of its Group or comfort letters to banks which have provided, or have expressed an intention to provide, financial facilities or financial accommodation to the Company or any member of its Group.
5. Any decision on the use of external advisers in respect of accounting, audit and/or tax advice outside the audit engagement must only be taken following consultation with the Finance Director.

6. The Finance Director shall have the power to commission Non-Audit Services (Permitted Non-Audit and/or Prohibited Non-Audit) from any firm, whether the external auditors or not, where the prospective value of fees shall not exceed £50,000. Any proposed engagement of a firm to provide Non-Audit services at a prospective fee level greater than £50,000 shall require the prior approval of the Audit Committee.
7. Subject to Paragraph 6 above, the external auditors shall not be commissioned to provide any Prohibited Non-Audit Services except in extraordinary circumstances and with the specific approval of the Audit Committee.
8. The Company shall seek to operate this policy in such a way that the best service provider is engaged as is appropriate to the individual circumstances.
9. The external auditors may be commissioned to provide Audit Related Services and Permitted Non-Audit Services on the following basis:
 - a) For any such services, other than those referred to at paragraphs (i) to (iv) inclusive in Appendix 2, the external auditor shall only be engaged where other providers are not practical or available (or are conflicted) and management concludes that the external auditor will not have to review its own work or output as part of the audit process;
 - b) A tender process (whether formal or informal) shall be considered;
 - c) The external auditor may be used as a supplier of corporate finance assurance services (such as review of completion accounts on a disposal) where that firm has the most relevant knowledge.
10. Where there is an urgent need to engage the external auditors for Permitted Non-Audit Services above the threshold referred to in Paragraph 6, the Finance Director can discuss and agree the matter with the Chairman of the Audit Committee and report their conclusion at the next Audit Committee meeting.
11. The cost of all Non-Audit Services provided by the auditors, both Permitted Non-Audit Services and, in exceptional circumstances, Prohibited Non-Audit Services, will be reported to the Group Board annually. The Finance Director shall be responsible for obtaining such a report from the auditors.
12. The Audit Committee shall also receive from the Finance Director (for information only) a report in respect of each financial year which sets out all external professional services fees.
13. When assessing Non-Audit Services for approval the Audit Committee will take the following into consideration:
 - Whether the skills and experience of the audit firm make it the most suitable supplier of the Non-Audit Service;
 - Whether there are safeguards in place to ensure that there is no threat to the objectivity or independence in the conduct of the audit resulting from the provision of such services by the external auditor;

- The nature of the non-audit services, whether the external audit firm is the most suitable supplier of the non-audit service, the related fee levels and the fee levels individually and in aggregate relative to the audit fee; and
 - The criteria which govern the compensation of the individuals performing the audit.
14. The Audit Committee will not give approval for Non-Audit Services to be provided by the Group's external auditors which would result in:
- The external auditor auditing its own firm's work;
 - The external auditor making management decisions for the Company;
 - A conflict of interest being created; or
 - The external auditor being put in the role of advocate for the Company.
- The Group's external auditors will confirm from time to time that they cannot perform these services.
15. For information, the Group's current external auditors have also confirmed that, as a matter of internal policy within the firm, all Non-Audit Services are referred to the relationship partner for approval in the first instance and that their own policy excludes them providing the following services for audit clients:
- Internal audit (with a few very limited exceptions);
 - Secondments to senior positions that involve any decision making;
 - Valuations that will be included in the financial statements;
 - Recruitment services;
 - Advice on remuneration for key management personnel; and
